The Saturday competition was a two person ambrose which a field of 238 players competed for the Golf Shop sponsored vouchers. The course was again well presented considering the prevailing dry weather.

Matt Keith and Simon Dillon won the day with a score of 58.250. Matt's handicap and Simon's long game was a great advantage for them.

Richard Stewart and Clayton Small were the runners up with 59 on a countback from Stuart Campbell and Greg Mudd. The father son combination of Steve and Mitch Laney ran fourth with 59.500 on a countback from Peter Bloomfield and Vince Ayerst.

The nearest the pin winners on the 13th were Peter Keith, Brian Jones and Steve Ryman and on the 17th were Clayton Small, Gil Norrie and Corey Taylor. The ball competition went down to 65.50. on a countback.

The Thursday Pro Shop competition is proving popular with members and visitors alike. 174 players turned out in warm conditions to try and win some great value prize vouchers. The former Maitland junior Eli Richardson won the A grade with 38pts on a countback from the ever consistent John Skinner.

Third place was won by Mitch McPhee on a three way countback from Brett Lovett and Paul Park with them all scoring 37pts.

Bob McKenzie won B grade with 39pts on a four way countback from Paul Gould, Mark Hodson and Mick McDonald. Les Edwards with 38pts ran fifth.

Kel Cooper had the day's best score with 42pts to win the C grade division, second place went to Gerry Van Raalte with 38pts on a countback from Geoff Towns, Nigel Taylor ran third with 37pts on a countback from Scott Harges.

The two nearest the pin winners were Chris Lucas and Ken McCartney. The ball competition went to 32 on a countback.

A small field played in the Sunday competition with the winner being Brent Dykyj with 42pts. Lyn Redman won the nearest the pin on the 13th.

The pennant results were:

A grade: Bye B grade: lost 3-0 C grade: won 2-1 Seniors: won 3-0 Well done!

Albert Ross would like to remind members that visitor participation has been encouraged by the course committee, board and management and large fields have a great effect on the financial return for the course upkeep and machinery purchases.
