Event: Stableford.

Field of 129 players with balls back to 33 on a count back.

A great day for golf with some blustery winds at times in the afternoon. Course was in tip top condition as we approached the final round of the club championships. In A Grade a cracker round by Stephen Yates in these tricky conditions. And an equally impressive round from Neil at proshop with 1 under. Event: Final round of Club Championships.

174 players with balls back to Net 83 on countback.

Well what an interesting day with morning players subjected to substantial rain. Then a gradual improvement in the weather until it was a magic afternoon for the seeded players to play their best golf. A small gallery were treated to some great golf over the closing 9 holes by the seeded A graders. Mitch McPhee demonstrated his skills in getting up and down from some tricky situations. Eg. His sandy par on the 17th having been buried in the back of the left bunker. (Thank goodness for Mitch being left-handed.) Then sinking a tricky right to left 15 footer to keep a 3 on his scorecard giving him Gross 71 off -2 handicap. Great Net 71 from Will Fraser too closely followed by Brent Matthews and George Mottee with Net 72 and 73 respectively. Congrats to Mark Hughes with Net 73 in B grade and Mark Caves with Net 71 in C Grade.

Special mention for an eagle on the 12th by John Gorsuch.

Gross: A Grade Mitch McPhee 71; B Grade Mark Hughes 90; C Grade Philip Bowen 91.

A Grade: Will Fraser 71; Brent Matthews 72; George Mottee 73.

C Grade: Mark Caves 71; Philip Bowen 72; Hugh Matheson 74.

NTP 13th A Grade Wayne Clements 321cm. B Grade John Smith 131cm; C Grade Phillip Siddens 380cm
