For more information on Rules and Golf Etiquette, please do not hesitate to speak with our Professional Shop Staff or a Member of the Match Committee.

Competition Rules & By Laws

1. All competitions are under the control of the Match Committee and its decision shall be final. Ties in any competition shall be decided in the manner prescribed by the Match Committee. Other than where special conditions apply, the count back system will be adopted.
2. Except as specified by the Match Committee or when a match play-off has been arranged, players in competitions have priority on the course.
3. For competitions other than drawn events, starting times are to be booked by members on the time sheet provided.
4. Competitors in ALL COMPETITIONS must lodge their own scorecards complete with name and current handicap with any alterations initialled by the marker as soon as possible after the competition round.  - The maximum handicap for Club championships will be 36.
6. Saturday Competitions
