*Every year, East Maitland Bowling Club/Easts Leisure & Golf participates in the ClubGRANTS NSW scheme, which distributes funds to local community groups and organisations as per the established criteria. Please visit [www.clubgrantsnsw.com.au](http://www.clubgrantsnsw.com.au) for information. These grants are awarded annually.*

*In addition to this, we frequently receive ad-hoc requests for support of many worthy causes and community groups throughout the year. Often requests come to us with inadequate information and we cannot assist these groups, even though they may be worthy. In order for us to determine how to direct our limited pool of funds, and to help us determine whether your request meets our criteria, please complete the form below and click on submit. We will review your request at the end of the month and notify you of your success or otherwise.*

*With thanks,  
East Maitland Bowling Club / Easts Leisure & Golf*
