Chief Executive Officer:	S. DUGGAN
East's Leisure & Golf Manager:	S. DRIFFIELD

THE PRESIDENT'S REPORT

I have much pleasure and satisfaction in presenting my final presidents report after 26 years on the Board and the last 23 years as President. When I joined, the Club was not in a healthy state with a small profit and a debt of over \$0.5million. Since that time the Club has enjoyed a remarkable increase in profit and has no debt.

Costs have been curtailed this year enabling the Club a profit of \$1,440,615. This is an increase of \$268,545 on last year after deducting the extraordinary profit of \$829,415 (sale of land). The Club's total assets now stand at \$27,571,570. Congratulations to the Board, CEO, Administration and Staff whose efforts have helped to soften the impact of the tough economic environment that engulfed this country over the last year.

During the year a courtesy bus was introduced and has been well received by our members. An additional 10 poker machines have been installed at the Golf Club and in addition Golf Cart Sheds have been built that will accommodate 60 carts. Painting of the Golf Club interior has also commenced. With the Golf Club and Course in such an excellent state I would again like to acknowledge the contribution that the late Eric Hargy made to the Club.

Anti-social behaviour has become a major problem in society and it's most unfortunate that East's have been a victim of such behaviour by Club members and visitors. This shameful situation will not be tolerated and those patrons will be severely dealt with. Any member witnessing misbehaviour should immediately report to the supervisor on duty.

Donations under the Community Development and Support Expenditure (CDSE) were made to welfare and sports clubs of \$119,640. Once again the charity Christmas luncheon served over 120 meals to the needy in our community.

Billabongs Family Restaurant under the supervision of Jimmy Po continues to be very popular with both members and guests. This restaurant with seating for over 480 patrons is well patronised, together with the Scarborough Function Centre for weddings, etc with seating for 180 guests. Also the restaurant at East's Leisure & Golf has increased patronage with weddings and functions proving popular. Congratulations to Lucy and Steve and their hard working staff.

Many thanks to our Bowls Coordinator for controlling our bowling activities including Club visits, tournaments and championships. Rob was ably assisted by our match committee. The 2009 pennant season saw our players very competitive from 1st grade to 7th grade, with our number 7's winning the district flag at Singleton with an outstanding display of bowls but could not sustain that form at the zone finals against Pacific Palms under very wet conditions. The XXXX Gold team just missed the semi-finals but looks forward to a stronger performance this year. Many thanks to the selectors who did a sterling job and our umpires who contributed to the smooth running of the games.

Our Bowling Greens and surrounds under the supervision of director Max Skinner and controlled by Head Greenkeeper Simon Flannery and his assistant Mark Shipman is a credit and it's a pleasure to receive such glowing remarks from visiting bowlers.

To Madam President Robyn Stein and her girls who provided afternoon tea when required for pennants, visiting clubs and her cooperation with the bowls greens. Many thanks for a job well done.

Members should remember that it's great to have a sporting and social club but this is also big business and must be administered as a business.

On behalf of the Board of Directors, Management and Staff, our sincere condolences to those members who lost loved ones throughout the year.

I would like to thank not only for this year, but previous years all who have given me your full support, including my fellow Directors, our Management and all the Staff for your cooperation. I wish to thank Director Noel Bates for his 7 years dedication to our Club.

Harold Mayo
President

CHIEF EXECUTIVE OFFICER'S REPORT

It is pleasing to report that whilst the Club, like the industry, experienced challenging times, 2009 has seen a growth in the Club's financial well being. The Club has posted a trading profit of 1,008,043 (before non trading income) an increase of \$301,696 or 42%. This result ensures the Board is able to offer members a Club that continues to prosper with the provision of modern facilities and increased member benefits.

In 2009, the Board made a progressive decision to redesign the current outdoor area located off the gaming room. The main purpose of this decision was to allow this area to accommodate and cater for more patrons by improving the comfort, size and facilities located within this area. After a rigorous tender process, Paynter Dixon was appointed to design and construct the new facility with a potential finish date of late November 09. At present the Development Application is with Maitland City Council awaiting approval in order to allow construction to begin on August 31. Once available plans will be placed in prominent locations around the Club to display some of the features of the improvements to our members.

In terms of member benefits, this year saw the continuation of member's bonus points on their bar purchases. This program has been well received as a reward to members for their continued patronage. This benefit was extended to include the Banks Street sites bottleshop now allowing members to purchase take away items through his facility. In this financial year, Club members have redeemed points to the value of \$80,537.

East's Leisure and Golf has continued to experience excellent trading results with continued growth throughout the year resulting in a clubhouse surplus of \$ 195,342, an increase of \$107,433 or 122%. The course produced a good result with a surplus of \$87,851 compared to last year's result of \$103,414. Whilst this is a decrease of \$15,563 or 15%, it should be noted that this result was severely impacted upon by three months of wet weather since Christmas where income was minimal. In addition, costs associated with the recently built dam have also impacted on the expenditure. The Club has continued to improve facilities at the Tenambit street site with a number of projects, whilst some are still under construction, including the painting of the inside of the Clubhouse, the installation of ten new gaming machines and the long awaited cart sheds. The Club has committed funds in excess of \$120,000 and many hours of negotiating with the Lands Department, to complete the cart shed project and provide our members with a much anticipated and needed amenity.

My thanks to the course committee for their valued service throughout the year. Their continued input into the golfing activities of the Club has allowed us to continue to improve this facility for our members. Several committee members have chosen to stand down next year for various reasons, to these people I thank you for your years of contribution and effort. It has been your dedicated work that has assisted in the Course continuing to prosper over the years.

On the sporting front, congratulations must go to all our pennant teams, both bowling and golfing, for their efforts and the way in which they conducted themselves this year. All teams were extremely competitive and represented the Club proudly. The bowling number 7 team deserves special mention for their excellent performance in making the Zone pennant playoffs.

Our food outlets- Billabongs, Meet and Greet Café and ENB Steakhouse have traded well throughout the year. Billabong's, under the stewardship of Jimmy Po, has continued to impress with the quality of service and food. The restaurant has expanded its ever growing cliental by offering excellent value for money. ENB Steakhouse implemented a new menu with a variety of new dishes which have been well received and enhanced the restaurants growing reputation. The Meet and Greet Café commenced operations in September 08 replacing Judy's Café , who was always going to be a hard act to follow, but with a redesigned menu and renewed enthusiasm the café has made steady progress.

To the Management and staff for their continued commitment and dedication, and the Board for their support I thank you. It has been your hard work and assistance that has played a significant role in the Clubs continued growth and sees East's in such a healthy financial state.

Members – thank you for your continued support throughout the year and please continue to enjoy your Clubs.

Steve Duggan
Chief Executive Officer

BOWLS REPORT

Pennants: EMBC entered 8 sides in the HDBA Pennant Competition. The Club was successful in winning the HDBA No. 7 Grade Pennant. Performances in other grades were strong with the sides finishing second or third in most grades. A new selection policy was introduced based on Australian Sports Commission Guidelines. This policy will be under constant review with fine tuning to be done to better suit the EMBC's side numbers which is the largest in the district and amongst the largest in the State.

Championships: Consistency Singles and Mixed Pairs are still underway. Results of other championships are:

Major Singles: Winner: M. Evans
R/Up: N. Ellison
Minor Singles: Winner: P. Watson
R/Up: G. Challinor
Major Pairs: Winner: R. Stewart & T. Twining
R/Up: J. Banks & R. Bennett
Minor Pairs: Winner: J. Asquith & B. Austin
R/Up: J. Mulley & K. Partridge
Fours: Winner: B. Lawton, R. Smith, J. Lawton & R. Lawton
R/Up: R. Nelligan, M. Capararo, A. Capararo & I. Tapper
Triple: Winner: R. Bennett, R. Stewart & T. Twining
R/Up: A. Capararo, A. Ainscow & M. Capararo

Club players and sides performed well in HDBA championships. B. Trainor, R. Stewart & M. Evans made the final of the triples. R. Nelligan & M. Capararo won the President's Reserve Pairs. H. Beavis was runner up in the Senior Singles and B. Corbett & L. Gatt were runners up in the Senior Pairs.

Tournaments & Events: There was no change to the Club's regular tournament calendar over the previous 12 months with all tournaments well supported except the "Elite Pairs". The Match Committee has commenced a regular review our tournaments in order to maintain competitor interest and maximise entry rates. During the year, the Club showcased itself by hosting district, zone, state and Australian events. Our player featured prominently in the placing in many tournaments throughout the area and the East Maitland Griffins are now enjoying a reputation of being strong competitors and good sportsman.

Looking Ahead: I, so should you all, am excited about our Club's future prospects. Our player strength is building which should see us enjoy success in upcoming competitions such as the RNSWBA Club Challenge, XXXX Gold and the 2010 Pennant Competition. WE are building our junior numbers and with the help of Sam Hawke we are hosting and expanding our School Coaching Programme in an effort to grow these numbers. New bowlers are coming along to try the game and these numbers are growing weekly as our bowling membership grows.

My first 12 months as Bowls Coordinator has flown by and I have many to thank for their help and support. President Harold, the Board, the Match Committee, Steve and John have all been very positive and supportive of everything I have asked of them. The professionalism and cooperation of the greenkeepers and other Club staff is much appreciated. I would also like to thank Ladies President, Robyn, and her members for their help and cooperation throughout the year. Then there are those guys that day after day, week after week, are there to help me out; the Club's volunteer who I don't think know how to say no. You are too many to name here in this short report but you know who you are and your efforts are much appreciated. Finally a thank you to my wife Shendelle for her understanding and support on those odd occasions when I have brought to much attitude home from the Club.

2010 holds much promise for the Club and our players. GO THE GRIFFINS.

Rob Smith
Bowls Coordinator

GOLF CAPTAIN'S REPORT

Maitland Golf Course has come through the 2008/09 year well, however course profitability has dropped off from previous years. A general increase in all course expenditure was not helpful, but the constant wet weather caused a significant income loss of green fees and cart hire. A growing trend is developing where members are utilizing golf carts more, and when wet weather occurs our fields drop off markedly. Future committees will have to work with our course staff and management to develop a 5 year plan to construct more cart paths.

The East's Board has to be thanked for their ongoing commitment to our course. They have approved the purchase of a dedicated spray unit/top dresser at a cost of \$63,000 which will be used during the coming green renovations. This unit will assist our course staff with course maintenance and enable them to dedicate more time to other pressing matters on the course. Another significant investment in the future is our cart sheds at a cost of approximately \$120,000 which will provide another income flow to the course.

Early this year our greens suffered from an Argentine Stem Weevil infestation as well as heat stress. The end result was very disappointing and caused a major loss of turf around the outside of the greens and their surrounds. The damaged areas have been repaired and the course will be in prime condition for our up coming championships. Rod and his staff take pride in their work place and the presentation of our course to members and visitors. I thank our course staff for their efforts during this troubling time. Volunteer labour is welcomed and is very helpful to our course staff. The efforts of Course Convenor Kevin Price, Vice President Clarrie Coutts and Sam Whitehouse are appreciated by the course committee. I must mention and am thankful for the assistance provided by the 4 Mile Creek Company during the shoring up of the 18th creek bridge.

Thanks to the Pro Shop, Michael Holden and his staff of Vickie Tutt and Jono Towns for the assistance they give to the members and the match committees in conducting the various golf competitions and promotion of golf within the club

The sponsorship dollar is becoming increasingly hard to find. My gratitude goes to all our sponsors, who support the club's major events throughout the year. I thank our generous members for their contributions each week which provides funding, in part, for our competition prizes.

Our pennant sides once again are a credit to our club. The teams reached 4 out of the 5 possible finals only to be beaten. Their consistency however was rewarded by winning the HRDG Club Championship. Once again sponsorship assists the club which enables the club to provide all our pennant players with shirts. The support from Tenambit Butchery, Total Fabrications and Swarovski International is greatly appreciated.

Thanks to the Match Committee, who commit themselves each week and assist in all of our major golfing events held within the club. The Match Committee is, Bob Walker VC, Don Begg, Steve Wilson, Bob McKenzie and Steve Yates.

Happy golfing to all in the year ahead.

Rick Marsh

Directors' Report

The directors of East Maitland Bowling Club Limited submit herewith the annual financial report of the company for the financial year ended 30 June 2009. In order to comply with the provisions of the Corporations Act 2001, the directors report as follows:

The names of the directors of the company who held office during the year and at the date of this report are:

<u>NAME</u>	<u>QUALIFICATIONS</u>	<u>EXPERIENCE</u>	<u>SPECIAL RESPONSIBILITIES</u>
H W Mayo	Company Director	26 years	President
D Price	Retired	11 years	Snr Vice President
M Skinner	Retired	10 years	Vice President
R Morris	Retired	11 years	Director
N Bates	Retired	7 years	Director
J Stein	Retired	4 years	Director
K Price	Retired	3 years	Director
R Crawford	Retired	1 year	Director
A Small	Retired	1 year	Director - appointed 21/9/08

PRINCIPAL ACTIVITIES

The principal activities of the company in the course of the financial year were the promotion of lawn bowls, golf and the provision of amenities to members and their guests. There was no significant change in the nature of these activities during the year.

RESULTS

The company generated a net surplus of \$1,440,615 in the current financial year (2008: \$2,001,485). The last year's result included a non-recurring gain from the sale of property, plant & equipment of \$782,211.

The segment of the business at Easts Leisure & Golf returned a surplus of \$283,193 of which \$195,342 was generated from clubhouse activities (2008 \$191,323 and \$87,909).

CHANGES IN THE STATE OF AFFAIRS

During the financial year there was no significant change in the state of affairs of the company other than that referred to in the financial statements or notes thereto.

SUBSEQUENT EVENTS

There has not been any other matter or circumstance that has arisen since the end of the financial year, that has significantly affected, or may significantly affect, the operations of the company, the results of those operations, or the state of affairs of the company in future financial years.

FUTURE DEVELOPMENTS

Disclosure of information regarding likely developments in the operations of the company in future financial years and the expected results of those operations is likely to result in unreasonable prejudice to the company. Accordingly, this information has not been disclosed in this report.

ENVIRONMENTAL ISSUES

The company's operations are subject to significant environmental regulation under the law of the Commonwealth and State. The Directors are not aware of any significant breaches of the legislation during the financial year which are material in nature.

East Maitland Bowling Club Limited

Directors' Report (Continued)

DIRECTORS' MEETINGS

The following table sets out the number of directors' meetings (including meetings of committees of directors) held during the financial year and the number of meetings attended by each director (while they were a director or committee member). Total meetings held during year was 14.

Attendance	H W Mayo	14	R Morris	14
	D Price	12	N Bates	14
	M Skinner	12	J Stein	12
	K Price	14	R Crawford	13
	A Small	13 Note A Small on Board for 13 meetings.		

EMPLOYEES

As at 30 June 2009, the company employed the equivalent of 66 full time staff (2008: 65).

East Maitland Bowling Club Limited

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS

We have audited the accompanying financial report of East Maitland Bowling Club Limited, which comprises the balance sheet as at 30 June 2009, and the income statement, statement of changes in equity and cash flow statement for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances. In Note 1, the directors also state, in accordance with Accounting Standard AASB 101 "Presentation of Financial Statements", that compliance with Australian equivalents to International Financial Reporting Standards ensures that the financial report, comprising the financial statements and notes complies with International Financial Reporting Standards.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Accounting Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit we have complied with the independence requirements of the *Corporations Act 2001*.

Auditor's Opinion

In our opinion

- (a) the financial report of East Maitland Bowling Club Limited is in accordance with the *Corporations Act 2001*, including:
- (i) giving a true and fair view of the company's financial position as at 30 June 2009 and of its performance for the year ended on that date; and
 - (ii) complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Regulations 2001*; and
- (b) the financial report also complies with International Financial Report Standards as disclosed in Note 1.

East Maitland Bowling Club Limited

Notes to the Financial Statements For the Financial Year Ended 30 June 2009

1 Summary of accounting policies

Statement of compliance

The financial report is a general purpose financial report which has been prepared in accordance with the Corporations Act 2001, Australian Accounting Standards and Interpretations, and complies with other requirements of the law. Accounting Standards include Australian equivalents to International Financial Reporting Standards (A-IFRS). Compliance with the A-IFRS ensures that the financial statements and notes of the company comply with International Financial Reporting Standards (IFRS).

The financial statements were authorised for issue by the directors on 19 August 2009.

Basis of preparation

The financial report has been prepared on the basis of historical cost. Cost is based on the fair values of the consideration given in exchange for assets.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events is reported.

The following significant accounting policies have been adopted in the preparation and presentation of the financial report:

(a) Borrowings

Borrowings are recorded initially at fair value, net of transaction costs.

Subsequent to initial recognition, borrowings are measured at amortised cost with any difference between the initial recognised amount and the redemption value being recognised in profit and loss over the period of the borrowing using the effective interest rate method.

(b) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, cash in banks and investments in money market instruments, net of outstanding bank overdrafts.

East Maitland Bowling Club Limited

Notes to the Financial Statements For the Financial Year Ended 30 June 2009

1 Summary of accounting policies (cont'd)

(c) Employee benefits

Provision is made for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required and they are capable of being measured reliably.

Provisions made in respect of employee benefits expected to be settled within 12 months, are measured at their nominal values using the remuneration rate expected to apply at the time of settlement.

Provisions made in respect of employee benefits which are not expected to be settled within 12 months are measured as the present value of the estimated future cash outflows to be made by the company in respect of services provided by employees up to reporting date.

(d) Goods and services tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except:

- i. where the amount of GST incurred is not recoverable from the taxation authority, it is recognised as part of the cost of acquisition of an asset or as part of an item of expense; or
- ii. for receivables and payables which are recognised inclusive of GST.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

East Maitland Bowling Club Limited

Notes to the Financial Statements For the Financial Year Ended 30 June 2009

1 Summary of accounting policies (cont'd)

(e) Impairment of assets

At each reporting date, the company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (cash-generating unit) is increased to the revised estimate of its recoverable amount, but only to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the reversal of the impairment loss is treated as a revaluation increase.

(f) Income tax

The company has been granted an exemption from income tax in accordance with section 50-45 of the Income Tax Assessment Act (1997). There has been no provision made out of profits for the year.

(g) Inventories

Inventories are valued at the lower of cost and net realisable value.

(h) Payables

Trade payables and other accounts payable are recognised when the company becomes obliged to make future payments resulting from the purchase of goods and services.

East Maitland Bowling Club Limited

Notes to the Financial Statements For the Financial Year Ended 30 June 2009

1 Summary of accounting policies (cont'd)

(i) Property, plant and equipment

Where assets have been revalued any revaluation increase arising on the revaluation of land and buildings is credited to the asset revaluation reserve, except to the extent that it reverses a revaluation decrease for the same asset previously recognised as an expense in profit or loss, in which case the increase is credited to the income statement to the extent of the decrease previously charged. A decrease in carrying amount arising on the revaluation of land and buildings is charged as an expense in profit or loss to the extent that it exceeds the balance, if any, held in the asset revaluation reserve relating to a previous revaluation of that asset.

Property, Plant and equipment are stated at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the item. In the event that settlement of all or part of the purchase consideration is deferred, cost is determined by discounting the amounts payable in the future to their present value as at the date of acquisition.

Depreciation is provided on property, plant and equipment. Depreciation is calculated on a straight line basis so as to write off the net cost or other revalued amount of each asset over its expected useful life to its estimated residual value. The estimated useful lives, residual values and depreciation method is reviewed at the end of each annual reporting period.

The following estimated useful lives are used in the calculation of depreciation:

· Buildings	<i>10 - 100 years</i>
· Plant and equipment	<i>3 - 10 years</i>
· Poker Machines	<i>3 years</i>
· Poker Machine Licences	<i>10 years</i>

(j) Provisions

Provisions are recognised when the company has a present obligation, the future sacrifice of economic benefits is probable, and the amount of the provision can be measured reliably.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cashflows estimated to settle the present obligation, its carrying amount is the present value of those cashflows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that recovery will be received and the amount of the receivable can be measured reliably.

East Maitland Bowling Club Limited

Notes to the Financial Statements For the Financial Year Ended 30 June 2009

1 Summary of accounting policies (cont'd)

(k) Revenue recognition

Sale of goods

Revenue from the sale of goods is recognised when the company has transferred to the buyer the significant risks and rewards of ownership of the goods.

Rendering of Services

Revenue from rendering of services is recognised when the service is provided, or in the case of subscriptions, in the period to which membership is covered.

Interest Revenue

Interest revenue is recognised on a time proportionate basis which takes into account the effective yield on the financial asset.

(l) Financial Risk Management

The company has exposure to the following risks from their use of financial instruments:

- a) credit risk;
- b) liquidity risk; and
- c) market risk.

The company has no exposure to currency risk as all transactions are denominated in Australian dollars.

This note presents information about the company's exposure to each of the above risks, their objectives, policies and processes for measuring and managing risk, and the management of capital. Further quantitative disclosures are included throughout this financial report.

The Board of Directors has overall responsibility for the establishment and oversight of the risk management framework.

Risk management policies are established to identify and analyse the risks faced by the company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the company's activities. The company through their training and management standards and procedures, aim to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

Capital Management

The Board's policy is to maintain a strong capital base so as to maintain member, creditor and market confidence and to sustain future development of the business.

The Board seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position.

There were no changes in the company's approach to capital management during the year, although a number of new fixed asset additions were purchased during the year by cash, with a value of approximately \$1.54 million.

The company is not subject to externally imposed capital requirements.

1 Summary of accounting policies (cont'd)

(m) Standards and Interpretations issued not yet effective

At the date of authorisation of the financial report, the Standards & Interpretations listed below were issued but not yet effective.

Initial application of the following Standard will not affect any of the amounts recognised in the financial report, but will change the disclosures presently made in relation to the company's financial report:

- AASB 101 'Presentation of Financial Statements' (revised September 2007) Effective for annual reporting periods beginning on or after 1 January 2009

Initial application of the following Standards and Interpretations is not expected to have any material impact on the financial report of the company:

- AASB 123 'Borrowing Costs' (revised) Effective for annual reporting periods beginning on or after 1 January 2009
- AASB 2008-2 'Amendments to Australian Accounting Standards - Puttable Financial Instruments and Obligations arising on Liquidation' Effective for annual reporting periods beginning on or after 1 January 2009
- AASB 2008-5 'Amendments to Australian Accounting Standards arising from the Annual Improvements Project' Effective for annual reporting periods beginning on or after 1 January 2009
- IFRS 3 'Business Combinations' and IAS 27 'Separate and Consolidated Financial Statements' Effective for annual reporting periods beginning on or after 1 January 2009

9 Property, plant and equipment

Section 41J(2) of the Registered Club's Act requires the annual report to specify the core and non-core property of the club as at the end of the financial year to which the report relates.

Core Property is any real property owned or occupied by the club that comprises:

- the defined premises of the club; or
- any facility provided by the club for use by its members and their guests; or
- any other property declared by a resolution passed by a majority of the members present at a general meeting of ordinary members of the club to be core property.

Non-core property is any other property that is not referred to above as core property and any property which is declared by the members at a general meeting of ordinary members of the club not to be core property.

The following properties are the core properties of the club;

- Lot 1,21,397 Bank Street, East Maitland
- 23 William Street, East Maitland
- 2 Tenambit Street, East Maitland

The following properties are the non-core properties of the club;

- 42 Bank Street, East Maitland
- 34 Bank Street, East Maitland
- 46 Raymond Terrace Road, East Maitland
- 21 William Street, East Maitland

Current payables	(73,470)	(244,097)
Net cash from operating activities	2,923,809	2,736,350

22 Financial instruments

(a) Significant accounting policies

Details of the significant accounting policies and methods adopted, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in note 1 to the financial statements.

East Maitland Bowling Club Limited

Notes to the Financial Statements For the Financial Year Ended 30 June 2009

22 Financial instruments (Cont'd)

(b) Interest rate risk management

The company is exposed to interest rate risk as it invests funds at both fixed and floating interest rates.

The liabilities that are subject to interest rate risk are detailed below under the section on 'Liquidity Risk Management'.

Some of the company's assets are subject to interest rate risk, but the company is not dependent on this income. Interest income is only incidental to the company operations and operating cash flows.

Maturity profile of financial instruments

The following tables detail the company's exposure to interest rate risk as at 30 June 2009 and 30 June 2008:

2009	Weighted average effective interest rate %	Variable interest rate \$	Non interest bearing \$	Total \$
Financial assets:

Liabilities - Variable rate instruments	-	-
Cash flow sensitivity (net)	37,658	37,658

East Maitland Bowling Club Limited

Notes to the Financial Statements For the Financial Year Ended 30 June 2009

22 Financial instruments (Cont'd)

(c) Credit risk management

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivables from customers. As the overwhelming majority of the company's sales are tendered in cash, the director's consider credit risk to be minimal with respect to trade receivables. The company's cash assets are invested with two financial institutions to mitigate any credit risk associated with these investments.

(d) Liquidity risk management

Liquidity risk is the risk that the company will not be able to meet its financial obligations as they fall due. The company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the company's reputation.

Typically the company ensures that it has sufficient cash on demand to meet expected operational expenses for a period of 60 days, including the servicing of financial obligations. This excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters. In addition, the company maintains the following lines of credit:

Bank overdraft facility of \$500,000 that is secured.

(e) Market risk

Market risk is the risk that changes in market prices will affect the company's income.

The company manages market risks by monitoring pricing changes and gross margins in the different operational areas of the company.

23 Capital

The company is limited by guarantee and there is no issued capital. The memorandum and articles of the club prohibit any distribution of profits or property to members. In the event of winding up, each member can be called upon to contribute \$1 to cover winding up costs.

24 Additional company information

East Maitland Bowling Club Limited is a public company, incorporated and operating in Australia.
